Keeping everyone safe when you visit

We're delighted to be able to welcome you back to Falmouth Art Gallery.

Your health and safety, and those of our staff, are our top priority so we've introduced a few changes.

Here's our commitment to you:

1. We're following the Covid-19 government safety advice for all visitors and staff.

2. We have limited visitor numbers and have introduced timed ticketing so that social distancing can be maintained.

3. We have introduced a new one-way system to help manage social distancing.

4. We've put in protective screens to protect you and our staff.

5. We are accepting contactless cards in our shop and avoiding cash payments.

We need you to help keep us safe too. Please;

- Maintain social distancing
- Avoid touching objects, please ask for help when buying from our shop
- Keep washing your hands
